Principal's Letter to Sec 1s

Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world.

~ Harriet Tubman, a leading abolitionist who led hundreds of enslaved people to freedom

Dear Sec 1,

Welcome to the Presbyterian High family! On behalf of the school, I would like to congratulate you for successfully completing your primary school education. It was a major milestone and I believe you are excited to embark on the next phase in education.

For a while, you may miss your friends and teachers from your primary school. This is inevitable as you have spent 6 years there. Treasure the memories and the friendships made. In any transition, keep an open mind and be prepared to come out of your comfort zone. Now that you are older and more mature, you will be exposed to many new and exciting activities and programmes. Embrace the challenges and be courageous to explore and master new knowledge and skills.

Presbyterian High School is a mission school and we believe that it is God who has established and built her up from strength to strength. We also believe that no one is here by chance. You have been placed here by God and we will endeavour to nurture and support you to help you become **P**romise Keepers, **H**ope Builders and **S**ervant Leaders.

I wish you a fulfilling secondary school journey with us.

Your Principal,
Mrs Angeline Chan
