20 February 2019

Dear Parents/Guardians

Greetings to you from Presbyterian High School.

Familiarisation Walk to MacRitchie Reservoir Park for Cross-Country 2019

The annual Cross-Country cum Jogathon will be held at MacRitchie Reservoir Park on Wednesday, 13 March 2019. As your child/ward will participate in the Cross-Country cum Jogathon, we will organise a Familiarisation Walk for the Secondary One students on **Wednesday, 6 March 2019**.

The purpose of the Familiarisation Walk is for students to be familiar with the reporting venue, starting and finishing points, restrooms, rain shelters and first-aid stations. They will know the running route and check points as well. Students will be ferried to MacRitchie Reservoir Park and will be dismissed from there at 4.30pm.

Sec 1 Academic Awareness Workshop for Parents/Guardians on 8 March 2019

During the Lower Secondary years, our students build the foundations in their academic as well as co-curricular and leadership development. This prepares them for the curriculum and programmes at the Upper Secondary.

The school will organise an Academic Awareness Workshop* for parents/guardians pertaining to how you can support and prepare your child/ward in specific subjects. In this workshop, our teachers will be sharing with you the syllabus, exam format and study tips for various subjects. We encourage you to register for the subjects you would like to find out more to support your child in his/her learning. Thus, it is my pleasure to invite you to attend this combined session on **Friday, 8 March 2019**.

SECONDARY ONE ICT DAY (11 MARCH 2019)

The ICT Day for Secondary One students has been scheduled on **11 March 2019**. Students do not have to report for school; and they will carry out **e-learning** instead of having the normal lessons in the classrooms. This is useful for developing independent learning in our students and also preparing them for e-learning in the event that formal lessons have to be suspended e.g. during the SARS period in 2003 and H1N1 in 2009.

Students have been given SLS accounts and subject teachers will send a lesson package with an assignment to students via this platform. Please see the table below for the allocation of subjects. The lesson and assignment is expected to take an average of 1 hour per subject.

Class	Subject 1	Subject 2	Subject 3	Subject 4	Subject 5	Subject 6
1A	Maths	EL	CPA	Art	Science (SBB only)	MTL
1B	Maths	EL	Literature	Art	Science	MTL
1C	Maths	EL	Literature	Art	Science	MTL
1D	Maths	EL	Literature	Art	Science	MTL
1E	Maths	EL	Literature	Art	Science	MTL
1F	Maths	EL	Literature	Art	Science	MTL
1G	Maths	EL	Literature	Art	Science	MTL

A key learning objective for the ICT Day is for the students to exercise self-discipline and responsibility to learn independently and complete their assignments within the stipulated time. We seek your support to ensure that your child/ ward execute the tasks required of them in the e-learning package. All assignments should be completed by 5pm on 11 March 2019.

Students who do not have access to a computer with internet connection at home should inform their Form Teachers. The school will be opening up the computer laboratories for usage during school hours on ICT Day. Your child/ward will report to the General Office before being directed to a designated computer for his/her e-learning.

If you encounter any problem or have queries on the ICT Day, please call the school at 64543722. Mr Paul Cheong will be your liaison and he will assist you.

Kindly complete the **Acknowledgement and Registration form** and return it to your child's/ward's Form Teacher by **27 February 2019**. Should you have any enquiries, please do not hesitate to contact Mrs. Choy Hui Peng, Year Head Lower Secondary at 64543722.

Thank you for your support as we seek to provide a meaningful partnership and a learning experience for your child.

Yours sincerely,

Mr. Victor Owyong,
Principal
