Dear Parents/Guardians

**Sec 2 Meet-The-Parents (MTP) Session, Sec 3 Subject Combination Briefing and Sec 2 Academic Awareness Workshop for Parents/Guardians on 8 March 2019
Sec 2 ICT Day on 11 March 2019**

Greetings to you from all of us at PHS!

During the Lower Secondary years, our students build the foundations in their academic as well as co-curricular and leadership development. This prepares them for the curriculum and programmes at the Upper Secondary. At the Secondary 3 level, the school will offer a number of different subject combinations for students. The process of matching students with the subject combinations is conducted at the end of Secondary 2 and is known as the subject combination allocation exercise. We hope to share more with you at the Meet-The-Parents (MTP) Session **on Friday, 8 March 2019 at 6.30 pm** so that we can work in partnership with you to make school a meaningful and purposeful experience for your child.

During the session, I will share with you about the school's directions for 2019. The Vice-Principal and Year Head will share about the 2019 Secondary 3 Subject Combinations and Programmes for Holistic Development (PHD) for the Secondary 2 level.

*In conjunction with the MTP, the school will organise an Academic Awareness workshop for parents/guardians pertaining to how you can support and prepare your child/ward in specific subjects. In this workshop, our teachers will be sharing with you the syllabus, exam format and study tips for various subjects. We encourage you to register for the subjects you would like to find out more to support your child in his/her learning. Thus, it is my pleasure to invite you to attend this combined session **on Friday, 8 March 2019**.*

SECONDARY TWO ICT DAY (11 MARCH 2019)

The ICT Day for Secondary Two students has been scheduled on 11 March 2019. Students do not have to report for school; and they will carry out **e-learning** instead of having the normal lessons in the classrooms. This is useful for developing independent learning in our students and also preparing them for e-learning in the event that formal lessons have to be suspended e.g. during the SARS period in 2003 and H1N1 in 2009.

Students have been given SLS accounts and subject teachers will send a lesson package with an assignment to students via this platform. Please see the table below for the allocation of subjects. The lesson and assignment is expected to take an average of 1 hour per subject.

Secondary Two

Class	Subject 1	Subject 2	Subject 3	Subject 4	Subject 5	Subject 6
2A	Maths	English Lang	Design & Tech	MTL		
2B	Maths	English Lang	Design & Tech	MTL	Geography	History
2C	Maths	English Lang	Design & Tech	MTL	Geography	History
2D	Maths	English Lang	Design & Tech	MTL	Geography	History
2E	Maths	English Lang	Design & Tech	MTL	Geography	History
2F	Maths	English Lang	Design & Tech	MTL	Geography	History
2G	Maths	English Lang	Design & Tech	MTL	Geography	History

A key learning objective for the ICT Day is for the students to exercise self-discipline and responsibility to learn independently and complete their assignments within the stipulated time. We seek your support to ensure that your child/ ward execute the tasks required of them in the e-learning package. All assignments should be completed by 5pm on 11 March 2019.

Students who do not have access to a computer with internet connection at home should inform their Form Teachers. The school will be opening up the computer laboratories for usage during school hours on ICT Day. Your child/ward will report to the General Office before being directed to a designated computer for his/her e-learning.

If you encounter any problem or have queries on the ICT Day, please call the school at 64543722. Mr Paul Cheong will be your liaison and he will assist you.

Kindly complete the **Acknowledgement and Registration form** and return it to your child's/ward's Form Teacher by **27 February 2019**. Should you have any enquiries, please do not hesitate to contact Mr Toh Wei Seng, Assistant Year Head Lower Secondary at 6454 3722 ext 241.

Yours Sincerely,

Mr Victor Owyong
Principal
