20 March 2020

Dear Parents / Guardians

Enhanced Precautionary Measures for Term 2

Suspension of Remedial Programme / CCAs and After-School Programmes

Following MOE's announcement on the enhanced precautionary measures for the start of Term 2, please be informed that afternoon school activities and programmes will be suspended from Monday 23 March to Friday 03 April 2020. However, please note that coursework lessons will still be held on Tuesday afternoons.

During this period, students are to leave the school premise immediately after their lessons. Students who need to take their lunch can pack their meals from the canteen by 3.30pm prior to leaving the school ground.

Issuance of Leave of Absence (LOA)

In accordance to MOH's enhanced precautionary measures and guidelines, students who have travelled overseas on or after 14 March will be issued a 14-day LOA. Day zero of the 14 days will begin from the date of their return to Singapore. Parents of the affected students will be contacted by the school directly.

We appeal to parents and guardians to declare or update all March holiday travel plans in PG if there have been any changes.

Enhanced Hygiene and Precautionary Measures

School will continue with the enhanced measures of frequent cleaning and disinfecting of school premise, wipe down, social distancing and daily temperature taking so as to provide a safe and secure environment for learning to take place.

We seek your support and assistance to remind your children/ wards to exercise good personal hygiene and social responsibility. Students who are unwell should see a doctor immediately and return to school only when they have recovered fully.

Thank you for your understanding and support.

Yours sincerely,

Mr Victor Owyong
Principal
