

Home-Based Learning (HBL)

Briefing Slides for Students

The purpose of this HBL slides is to help you to familiarise yourselves with the HBL environment and the learning process.

The school has a curriculum continuity plan in place to activate **Home-Based Learning (HBL)** to ensure that learning continues for students during school closure.

- HBL follows the syllabus and Schemes of Work (SOW) closely so that we avoid any loss in curriculum time
- HBL is holistic in nature. For example, time is set aside for PE so that students continue to stay healthy
- It keeps students engaged in learning when they are unable to attend schools
- It gives students the opportunity to engage in self-directed learning

HBL Environment & Learning Process

- HBL needs not be confined to e-learning or learning with computers. It can include offline assignments or readings (e.g. readings from textbooks, PDF worksheets)
- Teachers will continue to monitor students' learning progress during HBL
- Besides helping students with learning, teachers will also check on students' well-being

HBL Environment & Learning Process

- Information of HBL will be broadcasted on the PHS Website. Students are to check their *HBL weekly Timetables* and plan their learning for the day
- To reduce congestion of the system, the preferred time to login to SLS is
 - Lower Secondary Classes: 8.00 – 10.00 a.m.**
 - Upper Secondary Classes: 10.00 a.m. – 12.00 p.m.**
- This helps to distribute the system load and provide better user experience, and allows households with multiple school-going children to share computing device

HBL Environment & Learning Process

- During HBL, staff and students are to follow the normal school day hours from **8.00 a.m. to 1.00 p.m.** as closely as possible. This structure sets a common timeframe when teachers and students can discuss work online if needed
- During HBL, Form Teachers will host a video conference via Google Meet with their class from **7.40 a.m. to 8.00 a.m.**

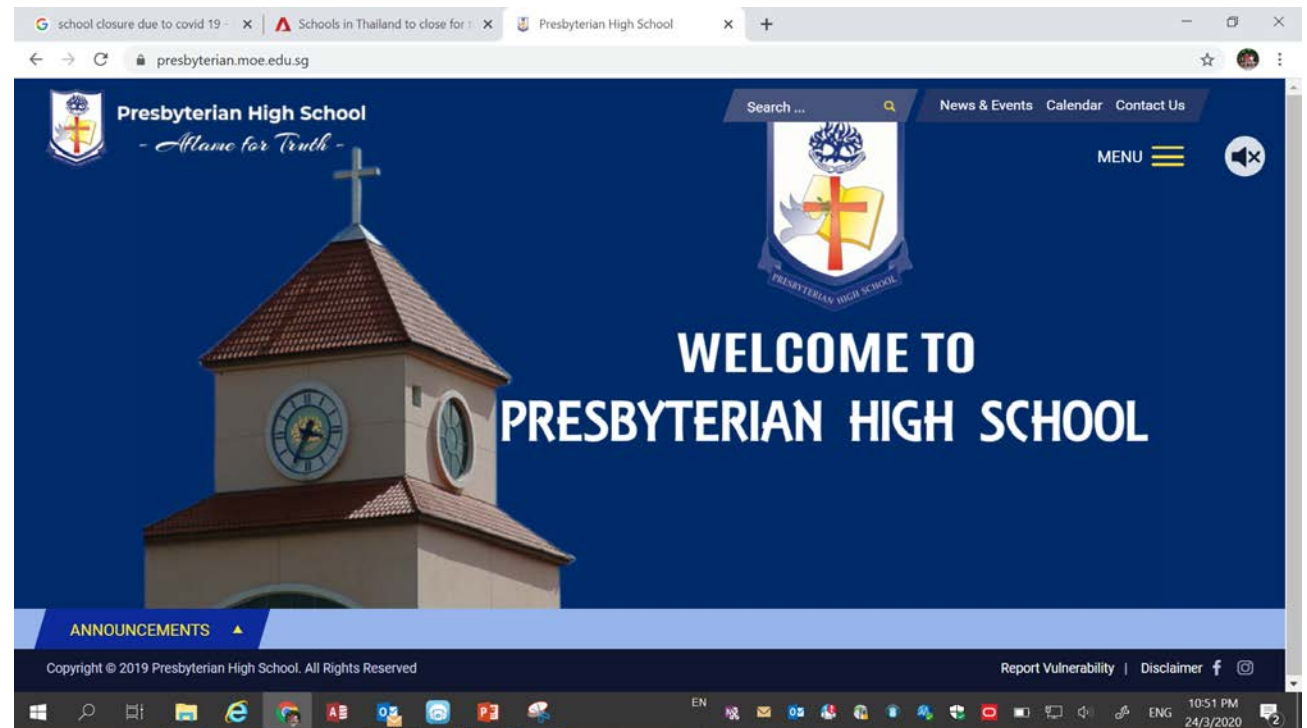

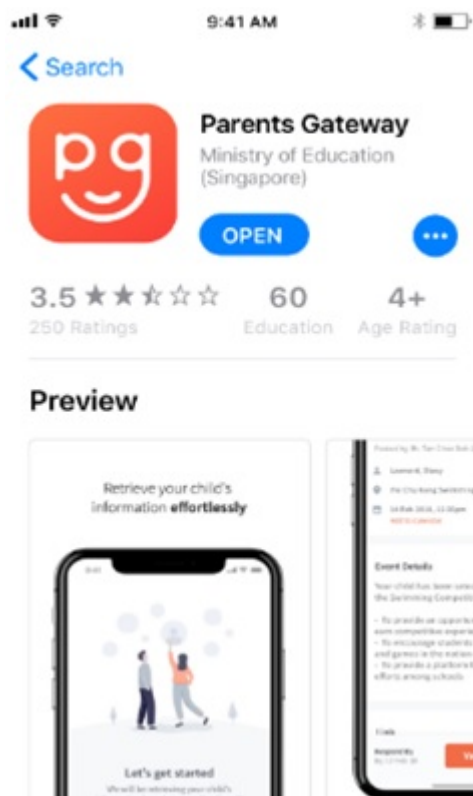

HBL Environment & Learning Process

Video Conferencing Etiquette

1. Be on time
2. Choose a neutral background
3. Ensure your technology works correctly
4. Appropriately dressed
 - Wear School PE T-shirt / Consortium T-shirt
5. Look presentable
 - Well-groomed
 - Following school guidelines i.e. neatly tied hair/pinned up for girls
6. Activate the **Mute** function of Google Meet when not speaking
7. Eliminate Distraction
8. Pay attention

Information of HBL

- Information of HBL will be broadcasted on **Parents Gateway (PG)** and the **PHS Website**

Ensure that you are able to:

- Log in to the Singapore Student Learning Space (SLS)
- Log in to Preshigh email (@preshigh.edu.sg)
- Perform video-conferencing via Google Meet

What should I do if I need help?

What should I do if I need help?

I need help with my SLS / Preshigh email account

If you cannot remember your SLS password:

- Do not key in an incorrect password more than 5 times or else your account might be locked
- Approach your Form Teachers or Subject Teachers to reset your password

If you need help unlocking your SLS account / Preshigh email:

- Request through this form: <http://gg.gg/phspwreset>

If you face any **technical issues**, i.e. SLS not working:

- Email the SLS Helpdesk at helpdesk@sls.ufinity.com
or call 6702 6513 (Mon-Fri 9am – 9pm, Sat 9am – 3pm)

What should I do if I need help?

I need help in Video-Conferencing Tool (i.e. Google Meet)

You can refer to the link below to learn how to set up / join a meeting using Google Meet
